DAY AHEAD OF REPUBLICANS

Who Meet on the Second - Efforts to be Made to Secure Messrs. Bryan and Cannon.

Chairman James H, Moyle of the State Democratic committee says the Democrats are to be first in the field, and today issued the call for the State convention of his party, to be held for the nomination of a candidate for Congressman to succeed Mr. Roberts, and for the election of a representative from Utah to the National Democratic convention. The State convention will meet in the Salt Lake Theater on Thursday, March 1st, and will have present the following county repre-

LAST NIGHT'S MEETING. An enthusiastic meeting of the State committee was held last night, at which

foregoing action was determined upon. There were present at the meeting the following named gentlemen:
J. H. Moyle, J. M. Cohen, Judge J. W. Burton, Benjamin T. Lloyd, E. A. Mc-Daniel, J. R. Letcher, W. H. Dale, Mrs. A. Caine, Sheriff John F. D. C. Dunbar, George A. Whittaker, John Montgomery and John Whittaker, Whittaker, John Whittaker, Whittaker F. Thomas of Salt Lake; Thomas D. Dee and Senator Daniel Hamer of Ogden; I. C. McFarland of Washington county, B. Murray, and Ephraim Hanson of Ephraim, Abel John Evans of Lehi, Henry Blood of Davis, Alma Matthews of Cache, Attorney Ed. Pike of Juab, Mayor Phillips of Kaysville, Hon. John B. Milner and Sam. King of Provo, Hon. D. O. Rideout of Draper, Hon. I. C. Thoreson of Cache, Thomas B. Cottam and Mr. Call of Boxelder, and Soren X. Christensen

The counties represented direct were Boxelder, Cache, Davis, Emery, Juab, Salt Lake, Sevier, Summit, Tooele, Utah, Wasateh, Washington and We-ber, Iron was represented by proxy. ber. Iron was represented by proxy.

The Democrats, says Chairman Moyle,
have determined upon an aggressive course in the coming campaign, having set the date of their convention one day ahead of the Republican convention. NOTABLE SPEAKERS.

It is proposed by the party leaders to make an effort to secure Hon. Frank J. Cannon and Hon. Wm. J. Bryan to fill a political itinerary to be fixed by the committee. The hope is expressed among Democrats generally that these two political orators may be able to so arrange their affairs that they shall find it possible to accede to the request of the State committee. Both these gentlemen are now in New York.

Indications are that the coming cam-paign will be fought rapidly and energetically, as but little time is allowed for electioneering.

Sheriff's Officers Recover a Cow Stolen Six Years Ago.

A jersey cow stolen six years ago has been located by Deputy Sheriff's Dowse and Harries. In 1894 Herman Bodmer at that time a resident of the southwestern part of the city, bought a young jersey cow from Frank Ban-geter. Five days afterwards the animal was missed, and all efforts to locate it failed. A short while came to the ears of Dowse and Harrice that Bill Carter sold a cow answering the description of the Bodmer povine to ex-Sheriff Thomas P. Lewis. INDUSTRIAL HOME TRANSFER Dr. Titeomb Assigns His Contract to J. S. Fordyce for \$1 00.

It has been learned upon good authority that the Industrial home on Fifth East street will shortly be opened and run as a family hotel.

Last October the government sold the property to Dr. C. B. Titcomb, a local dentist. Yesterday Mr. Titcomb filed with County Recorder Jensen an assignment of his contract, conveying the same to J. S. Dr. Titcomb expects to run the house himself and hopes to be ready for business by the middle of April. He will lease the place measurably successful in the venture.

> Morris L. Richie, as one of the attorneys for A. H. Mayne, who is temporarily absent from the city, applied to the district court today for a writ of prohibition directed against James D. Pardee, justice of the peace for the First precinct, to restrain the defendant from trying or proceeding with the case of L. C. Crossman vs A. H. Mayne.

In his petition affiant sets forth that on December 23, 1806, W. H. Sells, at that time justice for the First precinct, igned a summons addressed to A. H. Mayne and P. T. Mayne, summoning them to appear before him and defend an action brought against them by L. C. Crossman to recover \$159.76, and \$8.65 costs, alleged to be due upon a judgment rendered in the Fifth precinct before Justice W. W. Gee, on February 18, 1892. Affiant says no entry of the summons or the filing of any such a suit appears upon the docket of for-mer Justice Sells, and he further avers that after a diligent search he is un-able to determine whether the sum-mons was ever delivered an officer for

Accompanying the motion to amend, affiant says, was an affidavit signed by Luke, setting orth that he was Crossman's attorney and that no service of the original sum-mons had been had in the action, and was then in the hands of Constable Benjamin Haddock ready to be served. Thereafter on January 6, 1900, Mr. Mayne was served with the "amended ately deposit \$5,000 as a guarantee of good faith, and advance \$500 to defray the ex-champion's expenses to the Pariginal summons
